Eligibility: *Phantom Project 7* is open to all artists in SLO County and nearby locations creating in Fine Arts media. Gallery sitting is required for several 4-hour shifts during the exhibition. Accepted artists are required to choose sitting periods during or before Take In.

Artists may submit up to three original artworks. Application is via email only. Send your email to nambestone@aol.com with "PP7 Entry" in the subject line.

Requirements: Jurors will select top quality entries in painting, photography, sculpture and printmaking that show strong artistic content, use of materials and execution, with varied styles. Though Phantom Project 7 does not have a specific theme, the panel will give consideration to a cohesive collection that integrates both 2 and 3- dimensional artwork by local artists in diverse fine art media.

Pop Up Gallery Access: is through the front door: 72" wide and 96" high. Artworks must be less than 108 inches high. Weight is not an issue for floor-mounted sculpture. Sculptures can be wall mounted (up to 100 pounds), but must have a discernible third dimension greater than 12". Sculptors must provide pedestals if needed. You may be able to borrow one from another artist, or CCSG can from SLOMA (pending availability).

Paintings, fine art prints, or photographs can be up to 48" wide and 108" high. However, where multiple 2D artworks are submitted, only one 48" wide artwork is allowed from that artist.

Photographs must have a minimum unframed size of 12" x 12".

Jurors: Members of the CCSG Phantom Steering Committee. All are academically trained sculptors and painters, with jurying experience.

Entry Fee: \$30 for one or two titles, \$45 for three titles.

Submission: Submit jpegs at least 300 dpi and no more than 8 inches on any side. Each JPG must be named as follows: For paintings, photographs, or prints, provide the title of the artwork only, e.g., MyBeautifulArtwork.jpeg (nothing else).

For 3D artworks, provide the title of the artwork, and indicate the view. e.g. MyIncredible3DArtwork.side.jpeg. Include up to three views of one title, if you wish. All other artwork information will be taken from the entry form.

All wall-mounted artworks must be wired for mounting on the track-mounted hooks used in the PopUp gallery. The hooks extend 1.5" above the track. Make sure your wire is low and tight enough so the top of the hook does not show above your artwork.

Artworks may or may not be for sale. For any sales, 60% of the sale price will go to the artist. Prices set by the artist may not be changed after entry.
